GOVERNMENT OF ANDHRA PRADESH
ABSTRACT

Energy Department – Request of M/s. Clean Renewable Energy (Barmer) Pvt. Ltd., for change of solar project location from Kotapadu village, Nandyal District to Singanapalle and Owk Villages, Owk Mandal, Nandyal District without overlapping with the areas allotted / applied by other developers for RE power capacities and Wind Resource Assessment Studies – Request considered - Orders – Issued.

==========

ENERGY (POWER.II) DEPARTMENT

G.O.MS.No. 72 Dated: 11-09-2025

Read the following:-

1. G.O.Ms.No.18, Energy (Power-II) Department, dt.17.08.2023.
2. From the Vice Chairman & Managing Director, New and Renewable Energy Development Corporation of Andhra Pradesh (NREDCAP), vide Letter.No. NREDCAP/ SE/CREBPL /Solar/2025, Dt.04.08.2025.

***

O R D E R:-

In the reference 1st read above, Government have allocated 375 MW RE Projects comprising of 225 MWp DC Solar Power at Kotapadu, Nandyal District and 150 MW Wind Power in the villages near Talaricheruvu and Boyala Uppaluru in Ananthapuramu, Nandyal and YSR Kadapa Districts to M/s. Clean Renewable Energy (Barmer) Pvt. Ltd., under Andhra Pradesh Renewable Energy Export Policy 2020.

2. In the reference 2nd read above, the VC & MD, NREDCAP, Tadepalli, Guntur district has stated the following:-

I. Vide letter dt. 30.07.2025, M/s. Clean Renewable Energy (Barmer) Pvt. Ltd., has stated that the lands at Kotapadu, Nandyal Districts have been allotted to Mining activities serving nearby cement plants and most of the adjoining revenue lands have already been allotted to APSPCL and Indosol Solar Pvt. Ltd. leaving them with no option to relocate within the surrounding revenue land. The VC & MD has also stated that it was communicated that in view of these constraints, they are compelled to relocate the entire solar project to Singanapalle and Owk villages in Owk Mandal, Nandyal District as they have to initiate the project construction activities to meet the Scheduled Commissioning Date of the project i.e., before June 2026 and therefore informed that most of the lands are included in the Prohibited Property Report in Kotapadu village.

II. Further he has stated that M/s. Clean Renewable has proposed new location to establish 225 MWp DC Solar Power project in Singanapalle and Owk villages of Owk Mandal, Nandyal District which is about 18

Kms from earlier allotted Kotapadu site and the new location is about 19 Kms from the Kurnool-III CTUIL Substation where the power is proposed to be evacuated and also informed that in respect of earlier location at Kotapadu also they have proposed to evacuate from Kurnool-III CTUIL substation.

III. The VC & MD, NREDCAP has also stated that the new location is falling in Singanapalle and Owk villages of Owk Mandal, Nandyal District has informed that the area is not allocated to any other developer or applied for setting up of Wind and Solar Power projects and the lands are private lands and the developer shall acquire the lands for setting up of Solar Power project.

IV. It has also been stated that as the land allotted in Kotapadu village, Nandyal District is not available as the lands have been allotted to mining activities serving nearby cement plants, and therefore the request of M/s. Clean Renewable Energy (Barmer) Pvt. Ltd. may be considered for development of 225 MWp DC Solar Power project at Singanapalle and Owk villages in Owk Mandal, Nandyal District instead of Kotapadu without levying any fee towards transfer of project location as the transfer of location is necessitated due to non-availability of lands as per the original allotment at Kotapadu location.

3. The VC & MD, NREDCAP has finally requested the Government the following:

A) To consider for shifting project at Singanapalle and Owk villages in Owk Mandal, Nandyal District instead of Kotapadu

B) without levying any fee towards transfer of project location as the transfer of location is necessitated due to non-availability of lands as per the original allotment at Kotapadu location.

4. The proposal of M/s. Clean Renewable Energy (Barmer) Pvt. Ltd., has been placed before the State Investment Promotion Board (SIPB) meeting held on 28.08.2025. The SIPB has taken the following decisions:-

"SIPB has agreed to consider the request of M/s. Clean Renewable Energy (Barmer) Pvt. Ltd. for change of solar project location from Kotapadu village, Nandyal District to Singanapalle and Owk Villages, Owk Mandal, Nandyal District without overlapping with the areas allotted / applied by other developers for RE power capacities and Wind Resource Assessment Studies."

5. After detailed examination of the proposal of M/s. Clean Renewable Energy (Barmer) Pvt. Ltd., in consultation with various stakeholders, Government hereby accord permission for change of solar project location from Kotapadu village, Nandyal District to Singanapalle and Owk Villages, Owk Mandal, Nandyal District without overlapping with the areas allotted / applied by other developers for RE power capacities and Wind Resource Assessment Studies.

6. The other conditions as mentioned in G.O.1st read above, shall be in vogue.

7. The Revenue Department / Water Resources Department/ Industries & Commerce / APTRANSCO shall take necessary action accordingly pertains to their issues.

8. The Vice Chairman & Managing Director, New and Renewable Energy Development Corporation of Andhra Pradesh, Tadepalli shall take further necessary action accordingly.
